

Use of logo

The SHIFT rating logo (as shown above) is designed to convey the message that the member organisation has been publically assessed and has achieved the rating. Sustainable Homes are the owner or the licensee of all intellectual property rights in our site, and in the material published on it, including the SHIFT band logo.

The SHIFT rating logo is reserved for members that have had a public SHIFT assessment. The SHIFT rating logo may only be used by member from the date it is awarded following a SHIFT public assessment until a new feedback report involving a further survey, at a subsequent new public assessment process is undertaken or the member ceases to take up membership

Commentary and other materials posted on our site, and/or results of all assessments, are not intended to amount to advice on which reliance should be placed. We therefore disclaim all liability and responsibility arising from any reliance placed on such materials by any visitor to our site, or by anyone who may be informed of any of its contents.

Undertaking a private assessment or the learning year entitles an associate member to use the associate SHIFT membership logo (outlined above).

A description of membership and the associated fees is provided at the webpage <http://www.sustainablehomes.co.uk/membership.aspx>

The right to use the associate SHIFT membership logo or SHIFT rating logo ceases immediately and without notice if membership fees are not renewed. The right to use the SHIFT rating logo or *other logos* may be withdrawn, without notice, at any time at the discretion of Sustainable Homes.
